## Economy & Finance

### *GST Council reduces GST Rates of 23 goods and services; revised rates effective from January 1, 2019*

- The Goods and Services Tax (GST) Council on December 22, 2018 slashed GST Rates for 23 commonly used goods and services. The reduced rates will come into effect from January 1, 2019.
- The GST rate on movie tickets, costing up to Rs 100, was cut to 12 percent from 18 percent, while tickets over 100 rupees will attract 18 percent tax against 28 percent. Monitors and TV screens up to 32-inches and power banks will attract 18 percent GST, as against 28 percent earlier.
- With this rate rationalisation, only 28 goods are left in the highest 28 percent tax bracket.
- The rate rationalisation was a part of the government's attempt to streamline GST and make it more people-friendly.

### **GST rate reduction from 28 percent to 18 percent**

- Pulleys, transmission shafts and cranks, gear boxes, falling under HS Code 8483
- Monitors and TVs of up to screen size of 32 inches
- Used pneumatic tyres of rubber
- Power banks of lithium ion batteries.
- Digital cameras and video camera recorders
- Video game consoles and other games and sports requisites falling under HS code 9504
