Under Digi Yatra Policy, Hyderabad's Rajiv Gandhi International Airport is set to launch the face-recognition facility

- For the first time in India Hyderabad's Rajiv Gandhi International Airport is set to launch the face-recognition facility under the Centre's Digi Yatra Policy.
- The face-recognition technology will remove the Central Industrial Security Forces (CISF) physically checking passengers' government issued identification documents at the airport entrance.

Daily Current Affairs 5th & 6th July 2019

- This facility will also mean passengers may not have to show travel documents, boarding pass and identity proof at checkpoints.
- This Digi Yatra Policy is introduced by Ministry of Civil Aviation.

Working Procedure-

- Initially, the passengers should submit the documents and then a face-recognition camera will capture the image of your face.
- The image along with the details of the documents will be stored in a database.
- The passengers will be provided a unique Digi Yatra ID.
- The passengers, then, should go through the security check points at the airport by just looking into the camera to record and identify themselves via biometrics.
