Merger of Bank of Baroda, Vijaya Bank, Dena Bank: Power of 3

The merger of Bank of Baroda, Vijaya Bank, and Dena Bank became effective on April 1, 2019, marking the first-ever three-way merger in India's banking sector.

With this, Dena Bank and Vijaya Bank became a part of the Bank of Baroda, leading to the creation of the India's second largest Public Sector Bank after the SBI and India's third largest lender overall after the SBI and ICICI Banks with a total business of more than Rs 14.82 lakh crore.

The amalgamation of Vijaya Bank and Dena Bank into Bank of Baroda was first announced in September 2018.

As per the Reserve Bank of India, all branches of Vijaya Bank and Dena Bank will function as branches of Bank of Baroda with effect from April 1, 2019. Customers of these two merged banks will be treated as customers of Bank of Baroda.

The 'Scheme of Amalgamation' of Vijaya Bank and Dena Bank with Bank of Baroda was approved by the Union Cabinet, chaired by Prime Minister Narendra Modi, on January 2, 2019.

India imposes anti-dumping duty on import of solar cell component

- **India has levied anti-dumping duty worth up to USD 1,559 per tonne on imports of a certain type of sheet used in solar cell making from China, Malaysia, Saudi Arabia and Thailand** for five years to safeguard domestic players against cheap shipments.
- The information was shared by the Department of Revenue through a notification. The anti-dumping duty has been imposed after considering the recommendations of the commerce ministry's investigation arm Directorate General of Trade Remedies (DGTR).
