## Banking and Finance

### **Kotak Bank launches debit card-based e-mandate on NPCI's API platform**

- Kotak Mahindra Bank has announced the launch of an industry-first debit card-based authentication solution on NPCI's e-Mandate API platform.
- Kotak becomes the first Destination Bank to go live with Net Banking and Debit Card-based e-mandate authentication, the bank said in a statement adding that the capability will enable its customers to create electronic mandates (similar to the erstwhile eNACH with Aadhaar + OTP) via both the Debit Card and Net Banking channels.
- This allows Kotak to go live as a sponsor or acquirer bank for corporates and merchants seeking recurring payments.
- In a first-of-its-kind initiative in the industry, customers can register both physical and e-mandates on a single platform with validation on the mandate fields to remove rejections on account of various reasons.
