- **Gujarat government has announced an increase in Dearness allowance of more than 9.61 lakh employees and pensioners by 2 per cent.**
- The hike in dearness allowance will be given with retrospective effect of July 1, 2018. This was announced by Deputy Chief Minister Nitin Patel at Gandhinagar on January 31, 2019.
- The Deputy CM that the increased salary would be paid from February along with the arrears since July last year.
- This decision would put an additional annual burden of Rs 771 crores on the state exchequer.
- Apart from state government employees and pensioners, employees of Panchayati Institutions will also get the benefit of this hike.

World

UNSC adopts resolution to extend sanctions against CAR for another year

- **The United Nations Security Council has adopted a resolution to extend sanctions against the Central African Republic (CAR) for another year.**
- **Resolution 2454**, adopted unanimously yesterday by the 15-member council, will renew the sanctions regime - an arms embargo, travel ban and asset freeze till January 31, 2020.
- It will also extend the mandate of the panel of experts, which helps the Security Council with the implementation of the sanctions, until Feb 29, 2020.

US urges Venezuela's Maduro to accept amnesty

- **The United States has urged Venezuela's President Nicolas Maduro to accept an amnesty offer from opposition leader Juan Guaido**, whom Washington has recognised as President.
- In a tweet, US National Security Advisor John Bolton said Maduro should take advantage of the amnesty offer and move on.
- Juan Guaido had declared himself the interim president of Venezuela last week and was swiftly recognised by the United States and key Latin American nations amid a spiralling economic crisis under Maduro's leftist regime.

Scientists create AI based system that translates thoughts into speech

- **Scientists have first time created an artificial intelligence (AI) based system that directly translates thoughts into intelligible, recognisable speech.**
- The research will help people who cannot speak regain their ability to communicate with the outside world.
- The technology developed by researchers from Columbia University in the United States can reconstruct the words a person hears with unprecedented clarity.
- The breakthrough, which harnesses the power of speech synthesisers and artificial intelligence, could lead to new ways for computers to communicate directly with the brain.

Sports

India Captain Mithali Raj becomes 1st female cricketer to play 200 ODIs

- **India captain Mithali Raj today became the first female cricketer to play 200 ODIs**, adding another achievement to her illustrious career.
- The 36-year-old is also the highest run-getter in ODIs with 6622 runs at an average of 51.33, including seven hundreds.
- Mithali could not make a big impact in her 200th game, scoring nine off 28 balls as India were bowled out for 149 in the third and final ODI against New Zealand at Hamilton. She had hit an unbeaten 63 in the second ODI, helping India take an unassailable 2-0 lead in the series.
- Mithali made her ODI debut way back in 1999 and has featured in 200 games out of the 263 ODIs India have played.
- She has also played 10 Tests and 85 T20s.

Viswanathan Anand finishes joint third after drawing with Vidit Gujrathi

- **In Chess, five-time world champion Viswanathan Anand had to be content with a joint third-place finish after settling for a draw with compatriot Vidit Gujrathi** in the 13th and final round of the Tata Steel Masters at Wijk Aan Zee, the Netherlands.
- With three victories, a defeat against winner Magnus Carlsen of Norway and nine draws, Anand ended the event on 7.5 points and will add six points to his existing rating. He is sixth in world rankings.
- Carlsen expectedly won the event after drawing rather easily with Anish Giri of Holland in the final round.
