- **ISRO** announced on January 11, 2019 **that it is well prepared to meet the targets of launching Gaganyaan manned mission to outer space by December 2021.**
- Addressing a press conference, ISRO Chairman Dr K Sivan said that a human space centre has been set up for the mission.
- Under the **Gaganyaan project**, India is planning to send three astronauts to outer space for seven days and bring them back.
- Speaking on other missions, the Chairman said that 332 launches are planned in 2019, the most important being the Chandrayaan -2 mission to the moon in mid-April.

Environment Ministry launches National Clean Air Programme

- **The Union Minister of Environment, Forest and Climate Change, Dr Harsh Vardhan on January 10, 2019 launched the National Clean Air Programme (NCAP),** a time-bound national level strategy for pan India implementation to tackle the increasing air pollution problem across the country in a comprehensive manner.
- **The National Clean Air Program (NCAP) aims to cut pollution in the 102 worst affected cities by 20-30 percent by 2024,** taking 2017 as the base year for the comparison of PM concentration.
- The programme will be a mid-term, five-year action plan with 2019 as the first year.
- The international experiences and national studies though indicate that significant outcome in terms of air pollution initiatives are visible only in the long-term and hence the programme may be further extended to a longer time horizon after a mid-term review of the outcomes.

Cabinet approves creation of Vice Chancellor post for India's first rail university

- **The Union Cabinet has approved the creation of the post of Vice Chancellor for India's first rail and transportation university, National Rail & Transport Institute (NRTI),** which has been set up in Vadodara, Gujarat.
- The Vice-Chancellor shall be the Principal Executive Officer of the institution and shall exercise general supervision and control over the affairs of the institution and shall be mainly responsible for implementation of the decisions of all the authorities of the Institution deemed to be University.
- The NRTI opened its doors to the first batch of 103 students from 20 states of India, in two fully-residential undergraduate courses - BSc. in Transportation Technology and DBA in Transportation Management, the classes for which started from September 5, 2018.

Alok Verma resigns after PM Modi-led panel removed him as CBI Chief

- **The sacked CBI Chief, Alok Verma on January 11, 2019 announced his resignation from service, refusing to take charge of the new role as DG, Fire Services.**
- The move comes a day after a high-powered selection committee headed by Prime Minister Narendra Modi removed him from the post of CBI Director in a 2:1 vote, less than 48 hours after he was reinstated to the position by the Supreme Court after he was sent on forced leave by the government.
- The selection panel removed Verma from the post over charges of corruption and doubtful integrity as per the findings of the Central Vigilance Commission. There were eight counts of charges against him in the CVC

report presented before the Committee. This makes him the first chief in the history of CBI to be ousted from the post.

Appointments
